VOL. XVI.

SKINKO-STYSANUS.

WASHINGTON

1911

WAR DEPARTMENT, OFFICE OF THE SURGEON-GENERAL,
ARMY MEDICAL MUSEUM AND LIBRARY,

Washington, September 22, 1911.

Gen. GEORGE H. TORNEY,

Surgeon-General, U. S. Army.

GENERAL: I have the honor to present herewith the sixteenth volume of the second series of the Index-Catalogue of the Library of this Office.

This volume includes 9,890 author titles, representing 4,670 volumes and 10,786 pamphlets. It also contains 3,892 subject-titles of separate books and pamphlets and 24,135 titles of articles in periodicals.

The Library now contains 176,690 bound volumes and 315,494 pamphlets.

The following table shows the number of titles in the Index-Catalogue as far as published:

	AUTHOR-TITLES.			SUBJECT-TITLES.		Portraits.
	Titles.	Volumes.	Pamphlets.	Book titles.	Journal articles.	
Total in first series	176,364	85,663	151,504	168,557	511,112	4,335
Second series, Vol. I.....	6,346	6,127	6,327	7,884	30,384	
Vol. II.....	15,732	6,383	14,802	5,774	21,725	
Vol. III.....	11,112	4,873	10,690	10,636	34,314	677
Vol. IV.....	9,628	4,133	8,523	8,828	28,316	
Vol. V.....	6,825	2,695	5,957	7,645	40,045	
Vol. VI.....	15,589	5,865	14,296	5,962	30,561	
Vol. VII.....	6,225	2,692	8,157	13,179	32,522	
Vol. VIII.....	10,704	5,330	9,897	5,731	29,684	
Vol. IX.....	8,706	2,599	8,291	5,322	31,481	
Vol. X.....	10,122	4,690	10,750	10,856	22,622	
Vol. XI.....	8,023	4,063	9,311	5,634	34,211	
Vol. XII.....	5,476	2,355	5,195	10,996	35,324	
Vol. XIII.....	5,566	3,250	4,851	7,678	40,221	
Vol. XIV.....	10,019	5,281	8,058	4,065	31,370	
Vol. XV.....	8,804	4,688	7,460	3,616	28,328	
Vol. XVI.....	9,890	4,670	10,786	3,892	24,135	
Total to date.....	325,131	155,357	294,855	286,255	1,006,355	5,012

Very respectfully,

WALTER D. McCaw,
Lieutenant-Colonel, Medical Corps, U. S. A.,
Librarian, S. G. O.

CONTENTS.

Progress of sanitary legislation in Great Britain. By Francis S. Powell.

What conditions are essential for a healthy dwelling, whether in an urban or in a rural locality; and how far is it desirable that they should be rendered compulsory by legislation? By H. H. Collins.

What, if any, restrictions in the interests of health should be enforced in connection with the employment of girls and women in workshops and factories? By J. H. Bridges.

Is it desirable that notification of infectious disease should be obligatory? By G. W. Hastings.

Is it desirable to legislate further respecting the duties of medical officers of health? By A. H. Brown.
